### **ELIGIBILITY FOR CLASSES**

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship agility, Premier agility, Open agility or Limited agility shows (i.e. special classes and invitational events excepted) Only a first place with a **clear round within the course time set by the judge** will count towards grade progression. Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of 3 consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers) A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

**Progression on points must be done prior to the closing date of entries, it is not possible to change a grade on points once the entries have closed.**

**STANDARD CLASSES** Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

#### **Grade 1**

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

#### **Grade 4**

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

**SPECIAL CLASSES Special Any Size Classes** Open to all sizes of dogs not entered in any other class in this show. There will be no tyre or weaves in these classes. ### **General Competitor Information**

The Team GB International Tour is a special agility competition. The competition is open to small, medium, large dogs who currently compete in KC Grades 4-7. The competition will consist of three different height categories; Small, Medium & Large. Small dogs will compete over jumps measuring 30cm, Medium dogs at 40cm and Large dogs at 60cm and the competition will be run under FCI regulations with the following exceptions;

Within the FCI regulations there are a number of guidelines and rules that are left open to interpretation, more to do with course measuring and trial procedure as well as some minor differences in equipment dimensions. Where possible however, the rules will be implemented as seen in the FCI Agility Regulations (<http://www.fci.be/medias/AGI-REG-2018-en-7610.pdf>). Should you have any questions or concerns, please contact the tour coordinator, Neil Ellis to discuss these: [neil-ellis@hotmail.com](mailto:neil-ellis@hotmail.com).
